Subtotal School Required Course Credits			26	33																	
Subtotal Professional Required Course Credits			36	39																	
Professional Elective Course Credits			38																		
Total			128																		

Notes:

1. In accordance with the General Provisions for Study, undergraduate students need to satisfactorily complete Service Learning, meet the university-wide basic competencies of English, Information Technology, Chinese, and Sports, and pass the core competencies of their department to be eligible for graduation.
2. Students need to complete at least 12 General Education course credits. General Education courses are divided into three areas: Humanities, Social Science, and Natural Science. Each area is divided into two subcategories: core and extended. Students need to take 1 two-credit course in both of the subcategories within each area to be eligible for graduation. Only 12 course credits will be counted toward graduation. Additional course credits earned in General Education courses are not counted toward graduation.
3. To encourage students to take professional courses taught in English, the Department offers Marketing Management (English) and Global Marketing (English) which are three-credit, one-semester courses. In addition, with the chairperson's approval, students may choose to take the same required courses offered by International Business and Trade Degree Program of International College.
4. Students are required to complete 128 credit hours prior to graduation, which include 90 credits of required courses (Including 12 credits of General Education) and 38 credits of elective courses (up to 20 credits can be taken from outside of the Department of International Business, but students are encouraged to take courses from the chosen module or credit programs offered by the University.)
5. Credits from the Education Program will not be counted towards the required credit hours for completion of the degree in International Business.
6. Students are required to take courses in Introduction to Business (M1101), Calculus (M1102), English Business Letters for International Trade (57310), and International Trade Information Systems (57323), all of which are one-semester required courses. Students in classes A, B, C and D can take those courses in either the first or the second semester. (Every semester, for each course two classes will be offered.)
7. Within the international business major, there are two tracks that a student can pursue: International Business Management and International Trade & Marketing Management. The required courses for both tracks are the same; however students taking the track in International Business Management must take the following three courses: International Investment Decisions (57335), International Business Cases Study (57450), International Business Communication (57460); students taking the track in International Trade & Marketing Management must take the following three courses: International Financial Markets and Foreign Exchange (57347), International Business Secretary Practice (57463), International Exhibition and Business Practice (57464).
8. The two-credit *Business Ethics*, listed in *General Education*, is the core course for SOM undergraduate students, who should obtain the credits in 3rd or 4th year for graduation.
9. According to the students' needs, our department will add these two courses "International Finance (57207)", "International Trade Theory and Policy (57206)" each semester or in summer. These two courses are not simultaneously remote teaching courses and each course is 3 credits.
10. The newly added elective courses in this academic year can be applied retroactively to students who entered from 2015 academic year.
